COURSE ATLAS

ATLAS CART IS LIVE!

Course Atlas is a great search engine for Emory’s robust and diverse course offerings, but wouldn’t it be even better if the Atlas also connected to OPUS in real-time to speed up the registration process?

Now it does! Start with the Atlas to search for courses, then add classes to your cart and push your schedule to OPUS from a single browser window!

features & benefits

BUILD YOUR IDEAL SCHEDULE
Create multiple carts to compare different course loads, weekly schedules, and class combinations.

VERIFY YOUR REGISTRATION STATUS
Registration indicators alert you to class status and the need to take additional steps before you can register.

PUSH YOUR CART TO OPUS
When you’re ready, click GO TO REGISTRATION to send the courses in your Primary Cart to OPUS.
